Note - Basic shed dimensions are available in basic shed manual.

Duramax Garages
Limited Ten Year Warranty

U.S. Polymer Inc. will send a replacement part free of charge, in the event of material defects and or workmanship for a period of ten years from the date of purchase.

This warranty is extended only to the original purchaser. A purchase receipt or other proof of date of original purchase will be required before warranty service is rendered. In no event shall we pay the cost of flooring, labor, installation or any other costs related thereto.

This warranty only covers failures due to defects in material or workmanship which occurs during normal use and does not extend to color change arising due to normal weathering or to damage resulting from misuse or neglect, commercial use, failure to follow assembly instructions and the owner's manual (including proper anchoring of the shed), painting, forces of nature and other causes which is beyond our control.

Claims under this warranty must be made within the warranty period by calling 1-800-483-4674 or mail in a dated sales slip and clear photograph of the part to:

U.S. Polymers, Inc.
1057 S.Vail Ave Montebello,
CA 90640

We reserve the right to discontinue or change components. If a component has been discontinued or is not available,
U.S. Polymers, Inc. reserves the right to substitute a component of equal quality as may be compatible.

Limits and Exclusions

There are no express warranties except as listed above. The warrantor shall not be liable for incidental or consequential damages resulting from the use of this product, or arising out of any breach of this warranty. All express warranties are limited to the warranty period set forth above . Some states do not allow the exclusion or limitation on how long an implied warranty lasts, so the above limitations may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state or country to country.

IMPORTANT: USE HAND GLOVES TO PREVENT INJURY.

12'x20' Parts List

Note: Check all parts prior to installation.

Tools You Will Need

- Hand Gloves
- Cordless Drill - Philips Head
- Screw driver - Philips Head
- Carpenter's Square
- Eye Protector
- Plumb Line
- 8' Step Ladder
- Adjustable pliers
- Level - 3ft.
- Tape Measure

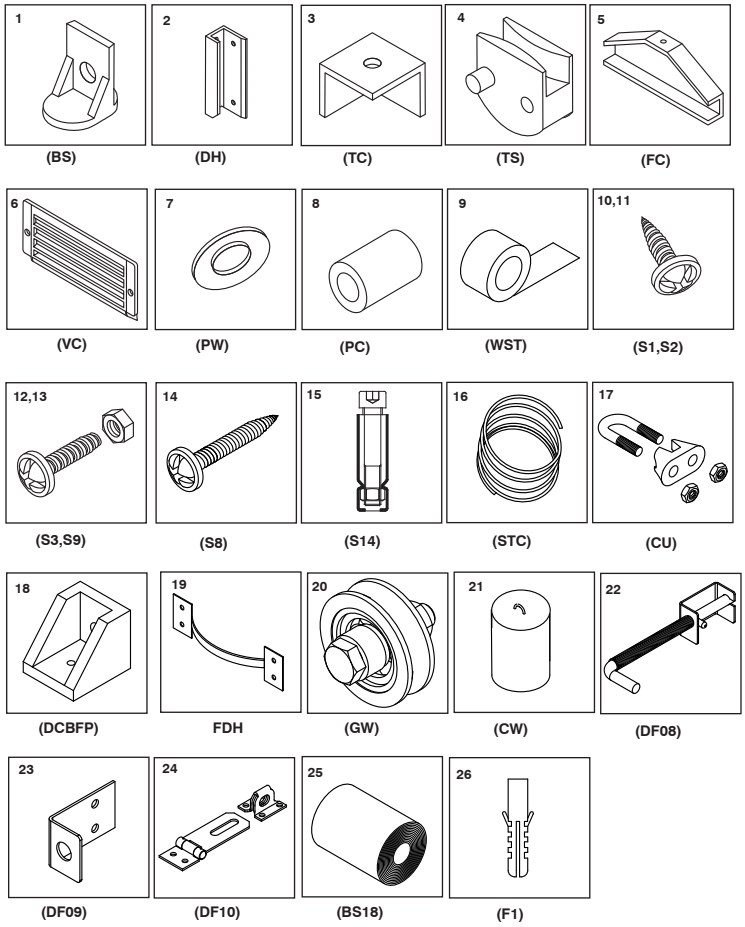

Note - Use screwdriver to seperate out Nested profiles

IMPORTANT: USE HAND GLOVES TO PREVENT INJURY.

PART 1 : Assembling Shed with Extension Kit

A. Foundation, Column Stands & Base Channel

Note: It is important that these instructions are followed step by step.

Concrete Platform

The shed must be constructed on a solid base foundation. A concrete pad or a large size concrete patio stone squares is recommended for suitable floor base. Make sure it is firm and level and will allow drainage away from the site. The base foundation should be at least 4 inches(100mm)larger than the shed dimensions. Please refer to the front page of your owner's manual for the exterior dimensions of the shed. **Manufacturer is not responsible for the choice and construction of the foundation**

For a concrete pad base, prepare a level bed for a firm footing layer of crushed stone. The concrete pad should then be poured to a thickness of 4 inches (100mm) to 5 inches (125mm). Allow to dry thoroughly for at least 48 hours

Parts Needed:

F. Roof Panel Installations and Accessories

Parts Needed:

Code	Qty	Code	Qty
RP01	2	WST	8Meter
RP02	12	FC	2
RP03	2	VC	4
RP04	2	TC	4
RP05	2	S1	254
RF01	4	S2	28
RF02	4	S3	62
RF03	4	S9	24
RF04	3	PW	332
RF05	1		
RF06	1		
RS03	4		
RS04	4		
RS05	4		

Parts Needed for each extension:

Code	Qty
RP02	3
RP06	3
RF02	2
RF04	1
ERF04	1
RS03	1
RS05	2
ERF04	1
WST	2.5Meter
S1	72
S2	8
S3	18
S9	6
PW	60
