# THE GLADIATOR BRAND ADVANTAGE

Whether your garage is a space for working on projects, parking the cars or entertaining, Gladiator brand empowers you to pursue your passions, in the garage and beyond.

## Ultimate Versatility

Our versatile products combine to create a complete organization system. They work together so you can get the most out of your time and your garage—floor to ceiling, wall to wall.

## Heavy-Duty Steel Construction

Gladiator® cabinets, rack shelving, workbenches and tool storage products feature welded steel construction for outstanding performance in any environment.

## Hassle-Free Warranty

We're so confident in Gladiator brand that we offer warranties just as strong as our gear. Most of our products are backed by at least a 10-year limited warranty and select models are backed with a lifetime limited warranty.\*

# TRANSFORM YOUR GARAGE IN THREE EASY STEPS

The only way to really know what lurks in your garage is to remove all the items inside. Yes, everything. This forces you to make a decision on every item.

**Keep** items you'll move back into the garage.

**Donate or sell** items that can be given to friends, online donation sites or community charities, or sold at a garage sale or online.

**Toss** items you simply don't use or that are damaged beyond repair.

## Measure your space

It's important to get your exact dimensions including:

- Front, back and side walls
- Size and location of windows and doors, including doorstep
- Location of studs, stairs, outlets and switches
- Floor space and space occupied by your car(s)

Our **Gladiator® GarageWorks Design Studio** tool can help. Visit [gladiatorgarageworks.com/inspiration-and-planning/overview.content.html](https://gladiatorgarageworks.com/inspiration-and-planning/overview.content.html) to get started.

## Create a wall organization system

Using your walls for storage is a smart way to get gear up off the floor and maximize space to transform your garage into an area you can actually use.

*Hanging wall systems, hooks, accessories & kits start on page 25.*

## Protect your garage floor

A covered garage floor is easier to install than you might think and adds style and protection, too.

*Flooring starts on page 52.*

## Choose the right cabinets

Storage cabinets are an excellent choice when you want to clear items from the floor and keep them safely hidden behind closed doors.

*Premier and Ready-To-Assemble cabinets start on page 13.*

## PERSONALIZED SOLUTIONS

From wall systems to cabinets, and flooring to appliances, Gladiator brand has a premium solution to help make your garage your own, transforming the space with a uniform look.

Check out GearTrack® Essentials and GearTrack® Essentials Deluxe Packs on page [35](#).

# WHAT'S NEW

## 2-Drawer Utility Cart

Bring your tools right to your latest project. This cart is easy to move and features a locking upper tray, lower tray and two drawers, all with cushioned liners to help keep items from sliding.

## GearTrack® Essentials and Essentials Deluxe Packs

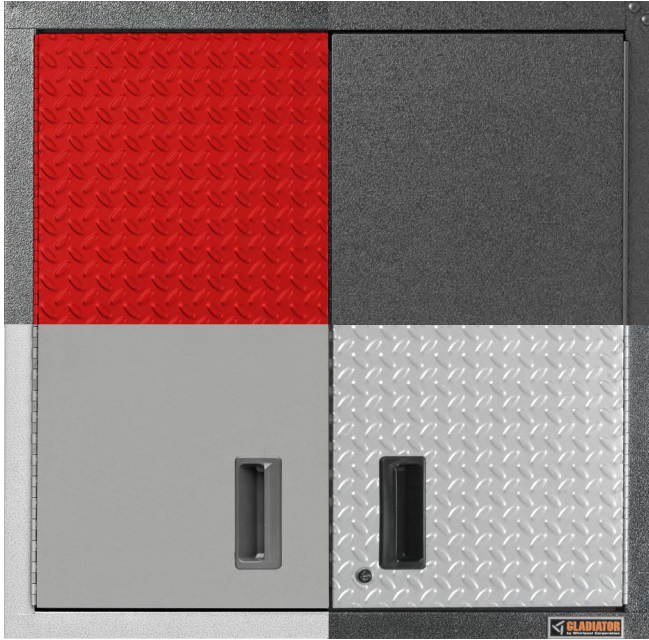

Our latest all-in-one kits offer near-instant organization with GearTrack® Channels and hooks that all install quickly and easily to help you get tools and gear off the floor.

## Heavy-Duty Metal Rack Shelving

48-, 60- and 77-inch heavy-duty rack shelves offer exceptional strength and are easy to assemble without any tools, so you can get right to storing large and heavy items.

## Color Options for Premier and Ready-To-Assemble Cabinets

Make a statement that suits your style. Premier and Ready-To-Assemble cabinets are now available in a greater variety of color options.

# NOMENCLATURE

## BRAND

## SIZE / QUANTITY / TYPE

## LAUNCH YEAR

These two numbers most likely refer to the size of a product, either by its width in inches or feet or its cubic foot capacity. In some cases, the number represents how many pieces come in a pack.

# GAWG241DRG

## PRODUCT GROUP

This pair of letters indicates the category each product belongs to.

## VARIES BY PRODUCT

Either two letters, a letter and number or two numbers, these descriptors vary by product category. See the following page for a sample of what each describes.

## COLOR

Color designator may describe the product's frame and doors/drawers, frame only or workbench legs and top.
