**FUSION** PRO  
SERIES CABINETS

# FUSION PRO SERIES

**Fusion by definition is the result of joining two things together to form a single entity. Our goal with Fusion cabinets was to combine the functionality of a tool chest with the storage capabilities of a cabinet set.**

# FUSION PRO SERIES

## ► PACKED WITH FEATURES

Not only are the Fusion cabinets appealing, they're jam-packed with quality features such as solid core aluminum handles that increase drawer rigidity, ball bearing drawer slides, corrosion-resistant powder coating finish, dual wall doors, adjustable feet and a stainless steel work surface.

## ► RUGGED CONSTRUCTION

Fusion cabinets are manufactured from solid 18 gauge steel, then finished in a durable black satin powder-coat. Cabinets come fully welded dramatically reducing installation times and ensuring cabinets stay square.

## ► LIFETIME WARRANTY

Fusion cabinets are backed by the best warranty in the industry. All drawer slides and hinges come with a lifetime warranty.

## BASE UNIT OPTIONS

Fusion base cabinets come in two different base options, choose between the 6 drawer, 1 door tool chest or the new Cube unit that has 2 drawers and 2 doors.

Located on the inside of any of the doors you will find an adjustable tray and rag rack.

## ► NEW UPPER CABINET

The upper wall mounts add extra storage space for your tools that you only use occasionally or want to keep out of reach.

## ► CHOICES, CHOICES, CHOICES!

All cabinets come in a satin black powder-coat base but handles and kick plates are available in 6 different colors. You can mix and match or have one color.

Yellow    Orange    Blue    Silver    Black

For red handles, see Barrett-Jackson® Edition
